

Chesty wants to get to base on time, but the news reported some flooding in the area. Help him find the safest road. Chesty knows when it comes to floods, Turn Around, Don't Drown!

READY MARINE CORPS **KIDS!**  
**Flood**

[www.ready.marines.mil](http://www.ready.marines.mil)

**KNOW THE FACTS:** Just six inches of fast moving water can knock over an adult. Two feet of moving flood water can carry a vehicle.

Set your own course through any hazard: stay informed, make a plan, build a kit. Live Ready Marine Corps.
