

**READY MARINE CORPS KIDS!**  
**Tsunami**

[www.ready.marines.mil](http://www.ready.marines.mil)

A tsunami is a giant, dangerous wave. To prepare, Ready Marine Corps Kids know to find a safe place to escape to in 15 minutes. The best place is at least 2 miles inland and 100 feet above sea level.

LEGEND	
0-1 MILES	= Danger Zone (Red)
1-2 MILES	= Still Dangerous (Yellow)
2+ MILES	= Safe Zone (Green)

Follow the legend below and color the picture by number to find Chesty and the safe zone!

Set your own course through any hazard: stay informed, make a plan, build a kit. Live Ready Marine Corps.
